

HOSTED RULEBOOK SOLUTIONS

YOUR RULES, TRANSPARENT. YOUR MARKET, MARKETED.

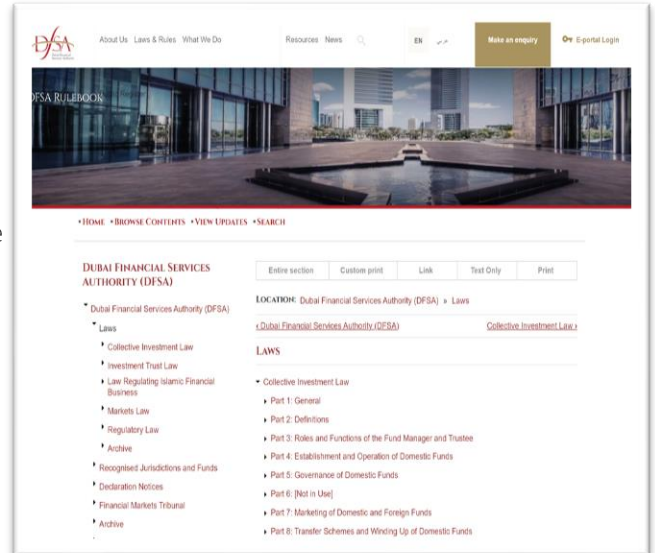

Transparent, Maintained, Connected

Developed by Thomson Reuters, a Hosted Rulebook Solution is your gateway to share and communicate your rules and regulations to your audience in a transparent, up-to-date and structured manner.

We design, develop, host and maintain your rulebook online, and expertly manage the content publishing process on your behalf. In addition, our Hosted Rulebook Solution enhances your web presence with search engine optimisation and facilitates both regulatory compliance and inward investment.

The world's most prominent central banks, stock exchanges and regulatory authorities choose Thomson Reuters for our proven experience and capabilities in publishing laws and regulations with accuracy, timeliness, and reliability.

Choose a Thomson Reuters Hosted Rulebook Solution and employ best in class digital assets to elevate your market's competitiveness, and transparency.

“The new platform will allow us to innovate in terms of our interaction with the solution to fit potential future requirements”. Dubai Financial Services Authority
